

## MERCHANT SERVICES

With card payments overtaking cash purchases year-on-year, UK businesses are having to rethink their payment solutions to ensure that they are keeping up with their consumer demands.

**70% of consumers in the UK now prefer to pay by card, and as many as 1/3 of those would consider walking away from a transaction if they were not able to pay by card.\***

Often knowing which solutions best fit both your business's and your customer's needs can be complex. Advantage Utilities offers a full range of electronic payment solutions across the retail sector and beyond.

### AVAILABLE SOLUTIONS FOR BUSINESSES NEW TO CARD PAYMENTS

- Fixed countertop, portable and mobile payment terminals
